About the Editors

Huisheng Xie has taught and practiced Traditional Chinese Veterinary Medicine since 1983. He founded the Chi Institute in Reddick, Florida in 1998, which is dedicated to train veterinarians in veterinary acupuncture, herbal medicine, food therapy and tui-na. His textbooks include *Traditional Chinese Veterinary Medicine-Fundamental Principles*, *Xie’s Veterinary Acupuncture*, *Xie’s Veterinary Herbology*, and *Application of Tui-na in Veterinary Medicine*. He had been the assistant and associate professor of College of Veterinary Medicine, Beijing China Agriculture from 1983 to 1994. He is currently a clinical associate professor of College of Veterinary Medicine University of Florida.

Lisa Trevisanello received her DVM from the University of Padua, Italy in 2003. As a graduate of the Chi Institute, she became certified in veterinary acupuncture. She incorporated acupuncture into her practice of small animal medicine. Currently, she is working on her Master Degree of TCVM from the Southwest University, China. She co-authored chapters of *Xie’s Veterinary Acupuncture*, *Equine Acupoints CD* and *Xie’s Chinese Veterinary Herbology*.
